APPLICATION FOR NURSERY WORKER'S LICENSE

SEND TO: DEM/OFFICE OF MANAGEMENT SERVICES
235 PROMENADE ST.
PROVIDENCE, RI 02908-5767

I hereby make application for a Nursery Worker's License (previously "Nurseryman's License") and enclose \$50.00, made out to the Department of Environmental Management, as payment.

In making application, I certify that I will buy and distribute only nursery stock which has been inspected and certified by the Rhode Island Department of Environmental Management or which has come to me accompanied by the valid certificate of inspection, of a Federal or State inspector, attesting that such stock was inspected and found apparently free of insect pests and plant diseases.

The nurseries in Rhode Island and other states and sources from which I intend to obtain nursery stock are listed, by name and address, as follows:

The plots of land within Rhode Island on which I grow or maintain nursery stock, or at which I sell such stock, are described by location and size as follows:

I (do)*** (do not) plan to ship nursery stock out of Rhode Island.

*** The various states into which I plan to make such shipments are listed on the reverse side of this form.
